7TH AFRICAN SCHOOL ON
INTERNET GOVERNANCE
Building internet governance leadership in Africa

Goal: to foster critical debate on internet governance from an African, Southern and gender perspective.

AfriSIG 2019 in Chad: 45 participants from 23 countries will gather at sessions, lectures and workshops on internet governance processes at the local, national, sub-regional, regional and global levels.
This is a unique event, and we want to share part of it with the rest of the world.
Join our dynamic network of African Internet governance leaders from diverse sectors, backgrounds and ages who are shaping the future of the ICT landscape for Africa’s development.
